Sprint 2 Plan

PoliTrack
PoliDev

Goal: Others are now notified when anyone reports a sighting in their given area.

User Story 1:
As a user, I'd like to be able to choose what I'm reporting on so other users know what is coming on. (ie. police sighting or traffic)
-
Total for user story 1:

User Story 2:
As a user, I want to indicate the sighting location so other users in that area can be notified.
-
Total for user story 2:

User Story 3:
As a user, I want to be notified when other users around me push a report.
-
Total for user story 3:
